- Page 32, column 1 bottom half, Chaotic, Evil, Good, and Lawful Spells: change last sentence of this paragraph to read: Spells associated with the alignments of chaos, evil, good, and law are identified as such on the "School, Subschool and Descriptors" line of the spell description.
- Page 35, column 1 top, Chaotic, Evil, Good, and Lawful Spells: change last sentence of this paragraph to read: Spells associated with the alignments of chaos, evil, good, and law are identified as such on the "School, Subschool and Descriptors" line of the spell description.
- Page 35 paragraph 4: replace 3rd and 4th sentences with the following: It can have up to 2 Hit Dice. (While the druid is 1st level, this particular animal is loyal enough to stay with her, even though an adventuring druid usually can only maintain animal friends whose Hit Dice total up to her level.) Alternatively, the druid may have more than one animal companion provided the animals' total Hit Dice don't exceed 2.
- Page 39, column 2 top: Change second sentence: There is no such thing as an off-hand attack for a

monk striking unarmed.

- Page 39, column 2 middle: Change 2 sentences above table: Usually, a monk's unarmed strikes deal normal damage, but she can choose to deal subdual damage instead with no penalty on her attack roll. She has the same choice to deal normal or subdual damage while grappling (see Grapple, page 137).
- Page 40, column 1: also, insert at end of paragraph: per day for each damaged ability.
- Page 40, column 2, Perfect Self: add to end of paragraph: Unlike other outsiders, the monk can still be brought back from the dead.
- Page 48, column 1, Crippling Strike: insert of temporary Strength damage
- Page 50 column 1 bottom: change the example sentence to read as follows: For example, a sorcerer with a scroll or spellbook detailing an unusual sorcerer/wizard spell (one not on the wizard/sorcerer spell list in this book) could select that spell . . .
- Page 51, column 2, Speak with Master paragraph: also, move this paragraph ahead of Speak with Animals of Its Type

Player's Handbook Errata -- Chapter 4

- Page 63, Alchemy, Special: insert new paragraph after first paragraph: This skill cannot be used to brew potions. (See the Brew Potion feat, page 80.)
- Page 63, Alchemy, Special, last para: change so it reads: Gnomes get a +2 racial bonus on Alchemy checks because of their sensitive noses.
- Page 66, column 2, table: change 15 +2/Str bonus to 15 + (2 x Str bonus)
- Page 70, Innuendo, Retry: delete receiving or
- Page 70, Innuendo, Special: delete (but not receive)
- Page 70, Innuendo, Special: also, delete receive or
- Page 70, column 2, 1st paragraph under table: add to end of paragraph: , but not the maximum distance.

Player's Handbook Errata -- Chapter 10

- Page 147 column 2 bottom: change the last three sentences to read as follows: She chooses to have the dog materialize on the opposite side of the hobgoblin from Lidda. One round later, when Mialee is done casting the spell, the dog appears. It attacks immediately and gets a +2 bonus on its attack because it is flanking the hobgoblin. On Lidda's next turn, she makes a sneak attack against the hobgoblin and brings it down. The dog disappears at the start of Mialee's next turn because the spell that conjured it lasts only 1 round for a 1st-level caster.

Player's Handbook Errata -- Chapter 11

- Page 170 column 2 near top, Control Water: Change to read Raises or lowers bodies of water.
- Page 173 column 1: replace Typical tasks sentence with the following: Typical tasks include attacking, coming when called, guarding a place, and protecting a character.
- Page 173 column 1 middle: replace the two sentences starting with You can have with the following: At most, you can have animal friends whose Hit Dice total no more than twice your caster level (though the demands of adventuring generally restrict a character to half that number). For example, a 3rd-level druid could use this spell to win the friendship of an animal of 6 HD or less, but an adventuring druid would only be able to maintain an animal of 3 HD as a friend. An adventuring 5th-level ranger would generally be able to maintain animal friends whose HD totaled 2 or less.
- Page 179 column 1 bottom half: change the sentence that begins with All the assistants to: Since the assistants' spells are cast simply to improve the caster level of the caster of the binding spell, saving throws and spell resistance against them are irrelevant.
- Page 187 column 3, Contingency 1st para: change companion spell and the spell it is to bring into effect to contingency spell and the companion spell

- Page 209 column 3, Glyph of Warding: change Duration to Permanent until discharged
- Page 217 column 3, Insect Plague, Effect: change wide and up to 60 ft. high to in diameter
- Page 218 column 2 top: delete Only creatures with no visible form, such as an invisible stalker, remain invisible.
- Page 219 column 1 top: change Target: 5 lb. of touched wood/level to Effect: An ironwood object weighing up to 5 lb./level
- Page 224 column 2 line 5: replace the sentence that begins You keep most with the following: You keep your Intelligence, Wisdom, Charisma, level, class, base attack bonus, base save bonuses, alignment, and mental abilities. The body retains its Strength, Dexterity, Constitution, hit points, natural abilities, and automatic abilities. For example, a fish's body breathes water and a troll's body regenerates. A body with extra limbs does not allow you to make more attacks (or more advantageous two-weapon attacks) than normal. You can't choose to activate the body's extraordinary or supernatural abilities. The creature's spells and spell-like abilities do not stay with the body.
- Page 237 column 1 top: change the sentence that begins Natural abilities include armor to the following: Natural abilities include armor, natural weapons (such as claws, bite, swoop and rake, and constriction; but not petrification, breath weapons, energy drain, energy effect, etc.), and similar gross physical qualities (presence or absence of wings, number of extremities, etc.). A body with extra limbs does not allow a character to make more attacks (or more advantageous two-weapon attacks) than normal.
- Page 238 column 1, Prayer: change 1st sentence of description to read: You bring special favor upon yourself and your allies while bringing disfavor to your enemies.
- Page 242 column 2 near top: change the sentence that begins A character with spellcasting capacity to the following: A spellcasting creature that doesn't prepare spells (such as a sorcerer) has a 50% chance of losing any given unused spell slot as if it had been used to cast a spell, in addition to losing spell slots for losing a level.
- Page 242 column 2 middle, 1st line of table: insert on any attack roll
- Page 245 column 1, Remove Paralysis: change third sentence of description to read as follows: If cast on two creatures, each receives another save with a +4 resistance bonus against the effect that afflicts it.
- Page 246 column 3, Rope Trick: replace all the text from You and seven others to the end of the page with the following: Creatures in the extradimensional space are hidden, beyond the reach of spells (including divinations), unless those spells work across planes. The space holds up to eight creatures (of any size). Creatures in the space can pull the rope up into the space, making the rope "disappear." In that case, the rope counts as one of the eight creatures that can fit in the space. The rope can support up to 16,000 pounds. A force greater than that can pull the rope free.
- Page 247 column 1 line 6: insert rope. The window is present in the Prime Material Plane, but it's invisible, and even creatures that can see it somehow can't see through it. Anything

- Page 249 column 1, Sepia Snake Sigil, 1st para: Replace first two sentences with the following: When you cast sepia snake sigil, a small symbol appears in the text of one written work such as a book, scroll, or map. The text containing the symbol must be at least twenty-five words long. When anyone reads the text containing the symbol, the sepia snake springs into being and strikes the reader, provided there is line of effect between the symbol and the reader. Simply seeing the enspelled text is not sufficient to trigger the spell; the subject must deliberately read the text. (Original text resumes with The target is

entitled)

- Page 250 column 2 Shambler, line 2: change mounds of 11 HD. to mounds with 11 HD each.
- Page 253 column 3, Soften Earth and Stone: middle of 4th paragraph: rearrange to read worked stone, cavern ceilings, or vertical surfaces such as cliff faces can be affected.
- Page 258 Summon Monster I, change first two paragraphs of description to read: This spell summons an outsider (extraplanar creature). It appears where you designate and acts immediately, on your turn. It attacks your opponents to the best of its ability. If you can communicate with the outsider, you can direct it not to attack, to attack particular enemies, or to perform other actions.
- The spell conjures one of the creatures from the 1st-level list on the Summon Monster table below. You choose which creature to summon, and you can change that choice each time you cast the spell.
- Page 260 Summon Nature's Ally I: change spell description to read: This spell summons a natural creature. It appears where you designate and acts immediately, on your turn. It attacks your opponents to the best of its ability. If you can communicate with the creature, you can direct it not to attack, to attack particular enemies, or to perform other actions.
- The spell conjures one of the creatures from the 1st-level list on the Summon Nature's Ally table below. You choose which creature to summon, and you can change that choice each time you cast the spell. All the creatures on the table are neutral unless otherwise noted.
- Page 272 column 2, Whispering Wind, Duration: change to read as follows: No more than 1 hour/level or until discharged (destination is reached)
